Sir,

With reference to Govern-
-ment Proceedings No. 275-6 Dated 11th
M. P. 27-94
September 1899, Cancelling an estimate
for Rs 915 sanctioned in Government
Proceedings No. 686-7 Dated 7th February
"M. P. 49-93
1895 and requesting to submit a revised
one for repairing the Annalchattram
at Ramanathpur, Anikalgrid Taluk,
I have the honor to state that the
Amildar reports that the non-exe
-cution of repairs to the Chattram
cannot be explained by him since
he opened charge of the Taluk only

two

Two months back, that the building is in a dangerous condition and that unless this is repaired at once the building will come to grief and a new one will have to be erected at a greater cost. Hence he submits a revised Estimate for Rs 1250 as the amount sanctioned before, is not sufficient to meet the present requirements

2 —— As regards funds he states that the amount available at the credit of the Institution is Rs 386-5-11 as detailed in the margin of this, a sum of Rs 337-9-1 being the total amount advanced for the Sanitarium in previous years, has the adjusted as per Government Proceedings No. 275-6 W.F. 27-94 Dated 11th September 1899. Deducting this the amount available for the repairs is only Rs 48-12-10.

of Rs 982—15—7. effected from Febru-
-ary 1883 to the end of June 1899 as
detailed in the Vernacular bill out
of the Tasdeek allotment were left
undrawn and the Amildar requests
that the same may be sanctioned. I
beg to point out that a sum of
Rs 415—2—9 being the undrawn
amount of the Tasdeek allowance
was sanctioned for the repairs
of the Chalteram in Government Pro.
-ceedings No 619—20 M.P. 49—93 Dated 12th De-
-cember 1893. Though this bill was
returned by the Comptroller duly
audited, the Taluk authorities do
not seem to have taken pains to
see the bill cashed and the amount
credited to the funds of the Institution
as ordered. The Amildar explains
that the bill was not cashed on
the understanding that the repairs
had not been executed. His explana-
-tion

explanation is not ah all satisfactory. This bill (submitted herewith for reference) will however be now cashed if no objection is taken. Hence a bill for the remaining amount of the undrawn Faodil allowance, viz Rs 569-12-10 is submitted herewith, for sanction and transmission to the Comptroller for audit and return.

4 ——— I repeat to state that though the Amildar had been censured for having left undrawn the Sawai's effected in previous years ——— ——————— and warned to be more careful in future, the old practice mentioned in this office report No. 193 Dated 29th August 1893 has been allowed to continue. Of the sum of Rs 984-15-7 above referred to, the total amount of the sanctioned bill and the sum

of the bill now submitted for sanc-
-tion, a sum of Rs 64.7.6 has to
be reserved for payment of the
arrears of allowance due to Imrzai
Gumasta. The remaining amount
viz. Rs 920-8-1 will be available
for the purpose.

5 —— The Amildar proposes to
meet the deficit of the Estimate
amount viz Rs 280-11-1 by stopping
the Sauterpani for a few months.

6 —— Under these circumstances,
I request that the Government
may be pleased to sanction
the revised Estimate for Rs 1250.

7 —— Vernacular papers ruding
with Ankalgid Amildar's report
No. 26/232 Dated 12th October 1899
are, herewith, submitted for re-
-ference

reference and kind return. -

The Deputy Commissioner
reports that though the bill
for Rs 415-2-9 sanctioned in
the Government Order
read above was audited by

No. 1077-8 Enc. file
Muz 749-93
dt 17-4-1900

the Comptroller, yet the Taluk Amildar has failed to cash the bill and credit the amount to the funds of the Institution on the plea that the repairs of the Chattram for which the amount was allotted in Govt Pro: No. 686-7 Inspt 49-93, dated 7th February 1895 were not taken on hand and executed. This plea is, as remarked by the Deputy Commissioner, very unsatisfactory.

2. Again, the Deputy Commissioner now reports that, in addition to the foregoing sum of Rs 415-2-9, further savings since effected out of the Jasdik allowance, and amounting to Rs 569-12-10 have been left undrawn by the Taluk Amildar in spite of the warning contained in the last para of the Govt Order

of the 12th December 1893 read above; and he recommends that the Govt may be pleased to re-grant to the Distr the aforesaid amounts aggregating to Rs 984-15-7 in view to the same being drawn and credited to the Chattram funds. The Deputy Commissioner's recommendation is sanctioned

3. As regards the repairs to the Chattram buildings, separate orders will be issued on receipt of the Dy Comr's report intimating the formal credit to the Chattram funds of the sum of Rs 984-15-7 re-granted in the foregoing para, and also the exact amount of funds actually available for allotment towards the repairs after adjusting all the outstanding advances and other charges referred to

in his letter read above.

Sir,

Adverting to Government Proceedings no 44-5 Muz 749-93 dated 6th July 1900, sanctioning an estimate for Rs 1250/- for repairing the Muzrai Anna Chattram at Rammathpur, Arkalgud Taluk, I have the honor to submit herewith the completion bill for Rs 1444-8-2 and to state that the Excess of Rs 194-8-2 over and above the sanctioned estimate is due to the following:-

(1) In the original estimate the cost

Cost of 213 square feet of burnt stone slabs at 4 annas per square foot is shown by mistake as Rs 28/- While it is Rs 53/-

(ii) Some of the old materials were also used. The working and putting up of this old wood has cost Rs 73/-

(iii) While the work was progressing I inspected the building and found it necessary that some more doors and windows not provided for in the original estimate had to be inserted. Accordingly, two more doors and nine windows with frames and hinges etc were ordered to be inserted and this has cost Rs 97/-

2 — Hence the excess of Rs 194-8-2 over the sanctioned estimate for which a supplemental estimate for Rs 1951/- is herewith submitted, which may kindly be sanctioned, the amount being met from the savings of Rs 1464-9-9 reported to be at the credit

credit of the Amachattrum.

3 — The Contractor is paid in all Rs 932-1-10, Rs 532-1-10 of which was Sanctioned in Government Proceedings no. 792-3 / Mur 749-93 dated 17th January 1901 and the remaining Rs 400/- was advanced to him at the Completion of the work, desiring at the same time Mr. K. Chandy Assistant Commissioner to inspect the work and to report as to the same being Satisfactory. Mr. K. Chandy now reports that the work has been quite satisfactorily executed.

4 — Under these circumstances I request that you will be good enough to obtain Sanction of Government for the amount incurred in excess over the Sanctioned amount and that in passing the final bill for Rs 1444-8-2, You will kindly

forward

forward the same to the Comptroller for the audit of Rs 912-6-4 subject to the adjustment of the advance of Rs 400/- drawn as per advance Memo No. 18 dated 4th March 1902.

2. With ref^e to the above, the Govt observe that it was highly irregular to have departed from the sanctioned estimate and thereby exceeded the sanctioned grant, without obtaining the previous sanction of the same. Govt, as, however,

Under the circumstances explained in the Dy Comm's letter noted above the it is reported that the repairs have all been completed, the excess amount viz Rs 194-8-2 is sanctioned, the charge being met from the savings available at the credit of the Instn.
